

Penguin Digital Arts Services and Pricing

FINE ART SCANNING We offer high-resolution art copy priced based on the size of the original:

Single Scans produce a maximum file of 9000 x 12000 pixels and can be used for art up to 36" x 48" when reproduced at 100%

Multiple Scans employ our **IMAGE TILING/ROLLING EASEL** to create a file of 16000 x 12000 pixels (including overlap) when assembled. This allows shooting an image of up to 40" x 80" at 100% or taking a smaller original and enlarging it 200%, 300% or more."

Our Copy Package—

includes the scanning session, the 300 ppi file on CD/DVD, an uncorrected 8" x 10" first proof.

SIZE OF ORIGINAL	SINGLE SCAN	MULTIPLE SCANS (inc. assembly)
UP TO 18" X 24" (150 mb file @ 300 dpi)	\$95	N/A
UP TO 30" X 40" (350 mb file @ 300 dpi)	\$125	
UP TO 40" X 60" (650 mb file @ 300 dpi)	N/A	\$175 (double scan)
UP TO 40" X 80" (950 mb file @ 300 dpi)	N/A	\$225 (triple scan) \$275 (quadruple scan)

Multiple-scan digital assembly is included in the price.

20% Discount for the scanning of 5 or more paintings

For larger files, higher resolutions, or multiple rows of scans, please submit the size and a picture for a quote.

Sides/top of canvas can be created in black (or any solid color): no charge.

Digitally creating sides in Photoshop to seamlessly blend with the front of the painting: \$25 (sides only)

Highly Varnished Oil/Acrylic Paintings:

Specular reflections from paintings with dimensional brush strokes and varnish might need to be eliminated by the use of **double polarization**. If this time-intensive process is required, add \$25 per scan.

PRINTING:

We adhere to the highest giclée printing standards, using the latest Epson Pro printers Including the 11880 60" with High Dynamic Range Ultrachrome Inks.

- For our **fine-art canvas prints**, we offer 2 choices: **Breathing Color Lyve** canvas for total color accuracy and a choice of finishes from matte to luster to high gloss, depending on the acrylic laminate, and **Breathing Color Cristalline** Canvas, a glossy canvas that requires no laminate, lowering the final cost of the print.

- For watercolors and fine art papers, we offer two all-cotton rag papers from Breathing Color: 1) **Pura Smooth**— a bright 300 pound paper perfect for pastel, watercolor, pencil and charcoal reproduction and **Elegance Velvet**, luxurious textured fine-art paper with eye-popping color.

PRINT PRICES

Please note that there is a one-time set-up fee of \$25 for each work, for color correcting, cleanup and sizing.

Max. Print Size	Canvas (includes 2" border)			Fine Art Paper*		
	1st Print	2-5 Prints	6+ Prints	1st Print	2-5 Prints	6+ Prints
